

Minutes of the 30th meeting of Central Sanctioning and Monitoring Committee (CSMC) for sanctioning projects under JNNURM held on 18th May, 2007 at 2.30 PM

List of participants is enclosed.

This was the first meeting of the CSMC in the third year of JNNURM. Accordingly, CSMC decided that each city coming for sanction of projects for the first time during the year should come with the State representatives who will make presentation about availability of urban infrastructure facilities and present service levels across the State apart from presenting the progress of various projects sanctioned under JNNURM and implementation of reforms.

Further, agenda items should contain details of projects sanctioned and funds released in respect of cities whose cases are taken up for consideration by CSMC. Thereafter, Mission Director placed before the Committee the projects for consideration.

After detailed discussions, the following projects were considered by the Committee:-
