The city to revert back with the following.

1. Comprehensive urban transport system plan should be drawn up and the present proposal should be integrated with that.
2. Plan should provide for improvement of pedestrianisation and cycle tracks.

Jaipur

CSMC noted proposal from Jaipur for approval of cost of preparation of DPR for BRTS. This may be sanctioned by Mission Directorate as per guidelines.

CSMC was also informed that it had in its 3<sup>rd</sup> meeting approved the proposal of Vishakhapatnam Municipal Corporation for providing water supply pipeline from TSR to Yendada and to Kommadi Junction for augmenting water supply at the cost of Rs. 23.40 crore. Since it came to notice later that this particular project was not approved by the State level Sanctioning Committee (SLSC), release of funds was withheld. However, the SLSC approval has now been received. Accordingly the CSMC agreed to recommend this case to Ministry of Finance to release the funds..

Meeting ended with a vote of thanks to the Chair.
