

Blooming of Flowers in Healthy Environment

KOL 03

The project has been developed by CDS-1 of Chandernagore Municipal Corporation (CDS were set up under SJSRY) to create a space for the adolescent girls to access care & counseling services for their physical & psychological health as well as for their socio-economic problems.

The stakeholders of this project are thus 300 to 350 adolescent girls, mostly from poor & marginalized families of the slums in Subhas Pally at ward no.33 of the Chandernagore Municipal Corporation.

Subhas Pally of ward no 33 under Chandernagore Municipal Corporation area has been chosen for the implementation of the said project after analyzing the present health condition & needs of the local stakeholders. The nearest health centre is half a kilometer away from the said locality & the Hospital is around one & a half kilometer away.

There is a community hall in ward no.33 first floor of which will be furnished to establish an adolescent girl's health care cum counseling centre (AHCC).

The project also seeks to incorporate micro-entrepreneurial initiatives that will provide some income to these girls esp. those who are literate. With support from local institutes, CDS members will develop a training plan on skill building of selected adolescent girls in ward no 33 on computer application & simple accounting & bookkeeping. Following the training these girls will setup computer centres with financial support from this project.

Project Objectives

- To involve adolescent girls in their health improvement process.
- To build their capacity in community health activities and productive micro-enterprises.
- To increase access of the adolescent girls to relevant health products.

Strategies

- Establishment of Adolescent girls' health and counseling centre.
- Capacity building of the adolescent girls on preventive health and selected vocational training.

Total Project cost: 10, 03,000/-
Funds requested under CPF 9, 02,700/-
