Provision of holistic Health care services in Ward no.6 under Baidyabati Municipality

Executive Summary

This project has been developed by Community Development Society –no.2 of Baidyabati Municipality (CDS were set up under SJSRY).

The objective of the project is to provide skill development to people & specially women of the projected area to become health workers & help them earn a living by utilizing acquired skills through a resourceful & technically sound Health Care Centre. Eventually making holistic health care services accessible to the whole community of the projected area.

Community Development Society (CDS) will be responsible for managing & supervising the activities in the Health Care Centre.

Health care training will be conducted by the Swasthya Bhabna Welfare Society (an NGO) in the following areas over a period of 6 months to 45 economically poor people in 3 batches.

- Blood sample collection
- B.P. Measurement
- Giving injections
- Conducting X-RAY etc.

Trainees will utilize these skills to make a living.

Funds under CPF will be majorly utilized for renting a place to run the centre, for furnishing the centre, for training & for training material as well as on study tour & documentation.

Total Project cost: 9, 90,500

Funds demanded under CPF: 9, 40,500
